

Boomers Summer Programs

Baby Boomers

Wednesdays only from 6:00-7:30

Location: Fort Lauderdale Christian

Starting May 10th

Cost: \$20 per week

Program Description

Designed for both Boys and Girls ages 4-9. Let the premier club in South Florida introduce volleyball to your son or daughter. Main focus of the program will be aimed at having fun while improving strength, developing coordination, improving on motor skills and spatial ability. While there will be a focus on volleyball, this program will help prepare your son or daughter to play any sport they choose in the future. Participants will receive instruction and have fun while developing a passion for the sport. It will teach motor learning and skill development through fun activities. Practices will use a lighter ball and lower net so that they can learn the proper technique while having a blast.
